September 3, 2019 Meeting

Steele Community Room – 4 PM

Adjourned to the Demeritt Cemetery

Present: John Woodruff, Jack Carter, Betty Jones, Jan Gendreau

- Minutes of August 6th minutes were approved.
- **Maple Street Cemetery.** Jack has met with Tim Chicoine, a carpenter, who will install the interpretive panel on the shed and do other work according to a plan Jack has developed. He estimated charge for labor will be \$500. Tim will charge the materials at lumber yards to the Town. Committee approved the expenditure. John reported that a grave had collapsed and that the highway department has filled in the spot. Jack reported that he asked Celia about work on the roads and she said the crew is very busy and it might be done in the fall, at the earliest. There has been a family dispute over the Carey lot. It will be worked out among the family.
- **Hope Cemetery.** Jack has been in touch with Caleb Ainsworth of Ainsworth Associates to do brush work. The highway department will take care of the fallen maple tree limb on the Wheelock lot. Jan will talk with Peter Plagge at the Congregational Church about keeping the grass mowed in the front of the fence.
- **Demeritt Cemetery.** We adjourned to the cemetery to see what condition it is in. The stones are in remarkably good shape considering the lack of maintenance over the years. John will ask to have the brush cleared before winter. We counted 13 stones. It is surrounded by a stone wall. The neighbor asked about taking down a large tree on his property.
- Meeting adjourned at 5:20 PM

Next meeting – October 1 – 4 PM – Steele Community Room

Respectfully submitted,
Jack Carter
