

Waterbury Cemetery Commission

Location: Hope Cemetery

October 6, 2020 Ad-hoc Meeting Notes

Present: Jack Carter, Jan Gendreau, and Jill Chase

- No one had the minutes of September 3rd meeting, so we didn't review, but still approved them.

Meeting Notes on September 3, 2020

Items Discussed, Old Business:

1. Cleaning of stones

- Matt Fitzgerald has cleaned 250 stones.

2. Loomis Hill Cemetery

- The St. Clair stone has been etched and will be placed on the lot

3. Cleaning up along the fence line

- Bill Woodruff is finding someone to do this ,hopefully this fall, making sure to cut everything low enough to be mowed right to the fence.
- Eric Potter will be limbing the bigger trees that stretch out over the yard of the Old Stagecoach Inn

4. Old hedge area

- It was suggested that this area may have been seeded, but was in no shape to be mowed as it is terribly uneven. Can we ask to have that leveled?

5. Waterbury Center flag pole

- Still in the same naked condition as we discussed last meeting

Next meeting, Wednesday, November 11th, 4 pm in the Steele room of the municipal center.

Respectfully submitted, Jill Chase
