HOPE DAVEY & ICE CENTER AREAS

# Concept Plan Community Meeting

Steele Community Room,  
28 N. Main St.

Thursday, March 2nd  
6:30-8:00 PM

We need your input on the concept plans for Hope Davey Park and expanded use of the Ice Center Area Park. The community meeting will be an opportunity to comment on the concept plans so they can be in line with our community values. The draft concept plans are available via the home page of our municipal website: [www.waterburyvt.com](http://www.waterburyvt.com). If you are unable to attend, see the website for other opportunities to comment on the plans. Hope to see you there!
