This Site Plan Review application sheet **supplements the general Zoning Permit application**. Please provide all of the information requested on both forms as it pertains to your project. Failure to provide all the required information will delay the process. Submit one copy of the completed application and payment by check (Town of Waterbury) or online at www.waterburyvt.com (3% processing fee), according to the zoning fee schedule. **For questions about the permit process, please contact the Zoning Administrator at 802-244-1012 or zoning@waterburyvt.com.**

Please respond to the following questions, attaching additional pages as necessary.

SUBMISSION REQUIREMENTS: Per Section 301(b) of the Waterbury Zoning Regulations, a complete site plan application should show the following, drawn to the largest practical scale -

- Location & dimensions of lot lines, names of adjacent landowners, all easements, utilities, and existing and proposed structures.
- All access to public streets or roads, parking and service areas, pedestrian walkways, curbs, and stormwater drainage.
- Pedestrian and vehicular circulation, including parking lot layout, entrances to structures, signs, and lighting.
- Building elevations and footprints.
- Detailed site grading and landscaping, indicating existing and proposed trees, shrubs, and ground cover.
- For hard copy plans larger than 11" x 17", please also submit a digital plan.
